Public Art Approval – Mull It Over

As part of a partnership between OZ Art, JustKids and the Unexpected, there is a statewide mural project, where 13 murals will be painted around the state. Five of the 13 murals will be painted in Bentonville, AR. The proposed mural, if approved, would be painted near 700 SE 5th Street facing the Razorback Greenway. The artwork would be done by world renowned artist Nina Chanel Abney. David noted, if the mural follows the guidelines of the Manual on Uniform Traffic Control Devices for Streets and Highways (MOUTC) he is asking for the board members to vote for this mural to be painted.

Hogan went into detail of the concept and all of the amenities this park would offer. It was also requested to have seating areas, shaded areas and restrooms added to the concept plan.
