SUMMARY

The Bentonville Public Art Strategic Plan will be used as a roadmap to help city leadership and citizens understand the long-term value and direction of public art in Bentonville. It provides the Public Art Advisory Committee with a framework to make public art a reality. The PAAC is responsible for creating the plan then recommending it to the Mayor and City Council to ensure its implementation by encouraging City staff, other city Commissions and Boards and future councils in continued development of our public art program.

The plan:

- Establishes a vision for public art embracing Bentonville's entrepreneurial spirit.
- Identifies geographic priorities for focusing resources.
- Recommends the planning, funding, and decision-making processes necessary to achieve the vision.

CORE PRINCIPLES

- Foster diversity, equity, and inclusion
- Enhance the community's visual environment
- Promote awareness of the city's social, cultural, and historical composition
- Increase excitement, access, and engagement with public art

PUBLIC ART...

- Has the power to energize our public spaces and transform the places where we live, work and play.
- Helps green spaces thrive and enhances roadsides, pedestrian corridors and community gateways.
- Serves as a powerful economic force, attracting businesses and qualified workforces.
- Enhances public spaces and creates destinations in a community.
- Encourages people to fully appreciate and utilize public areas.
- Is an essential component of a community that strives to be distinctive.

The PAAC Team – *Serving our community*

Public Arts Advisory Committee

The Bentonville City Council first established a public art policy and the Public Art Advisory Committee (PAAC) on February 13, 2007, with Ordinance No. 2007-24. On August 20, 2012, Mayor Bob McCaslin appointed four members to establish the first active PAAC, which began meeting in October that year.

These founding members established a mission statement and core principles, created an application process and application form, and drafted an amendment to the public art policy. The amended ordinance was adopted on May 14, 2013, with Ordinance No. 2013-40.
