

# What is the 8<sup>th</sup> Street Improvement Project?

The 8<sup>th</sup> Street Improvement Project includes:

- **SW 1 Street to Moberly Lane** – reconstruct existing 8<sup>th</sup> Street to provide 4-5 travel lanes (with a center median or center left-turn lane) and sidewalks.
- **Moberly Lane to Highway 71** – extend 8<sup>th</sup> Street on new location, with 4 travel lanes and a center two-way left turn lane .
- **At Highway 71** – construct an interchange at the extension of 8<sup>th</sup> Street.
