City of Bentonville

Project Detail Sheet

CIP: 2007 - 2011

Department: Building Inspection

Year: 2007

Project Title: Truck

Rank: 1

Category: Replacement

Project Location: N/A

Project Status: N/A

Est. Cost: \$ 20,000

Funding: General Fund

Description and Justification:

The current vehicle is a 1997 Ford F150 4x4 pickup that meets the vehicle replacement policy with 70,000 miles or 7 years. This vehicle is used extensively by the building inspectors for site inspection of building construction. A replacement vehicle should be of similar configuration.

Relationship to mission and values:

The request supports the City's mission to delivery municipal services in a professional, personal and responsive manner and the value of public safety for all citizens.

Relationship to the General Plan:

Replacement per the City of Bentonville vehicle policy. This request supports the General Plan in improving current infrastructure to meet the needs of growth within the City of Bentonville.

Revised: June 2006

Project Detail Sheet
CIP: 2007 - 2011

Department: Building Inspection

Year: 2007

Project Title: Truck

Rank: 2

Category: Additional

Project Location: N/A

Project Status: N/A

Est. Cost: \$ 16,000

Funding: General Fund

Description and Justification:

This unit will be a mid-sized, short bed pickup. This truck will be used extensively by the code enforcement officer for inspections of properties. Code enforcement, as part of building inspection, requires a vehicle for site inspections and transportation of court workers fulfilling community service requirements.

Relationship to mission and values:

This request supports the City's mission to delivery municipal services in a professional, personal, and responsive manner and the value of public safety for all citizens.

Relationship to the General Plan:

This request supports the "General Plan" in improving current infrastructure to meet the needs of growth within the City of Bentonville.

Revised: March 2005
