City of Bentonville

Project Detail Sheet

CIP: 2007 - 2011

Department: Meter Reading

Year: 2007

Project Title: Vehicle

Rank: 1

Category: Replacement

Project Location: N/A

Project Status: N/A

Est. Cost: \$ 16,000

Funding: Utility Fund

Description and Justification:

This item is a replacement 4x4 pick-up truck used by the Meter Reading Department. It is used during the day by a Meter Reader and at night by the stand-by call back person since it is a 4x4 vehicle. This vehicle was purchased in 1998 and is estimated to have 85,883 miles at the end of 2006.

Relationship to mission and values:

This project supports the mission by providing operable vehicles for employees to deliver municipal services in prompt, professional, personal, and responsive manner.

Relationship to the General Plan:

Replacement per City vehicle replacement policy.

Revised: June 2006
