Compost Facility Limited Availability/Out of Stock

Bentonville, AR.....The City of Bentonville's Compost Facility will soon be out of screened compost. Once the screened compost is sold out, it will not be available until Summer, 2012.

Additionally, the facility is currently out of 2 of its other products, unscreened (medium grade) compost and hulls (coarse grade composted wood mulch). The unscreened (medium grade) compost will be available in March, 2012. The hulls (coarse grade composted wood mulch) will not be available until Summer, 2012.

The facility has an inventory of wood chips available for sale.

The Compost Facility is located at 2000 N.W. A Street and hours are Tuesday – Saturday, 8:00 a.m. – 4:00 p.m.

The facility apologizes for any inconvenience this may cause patrons.
