

## **Press Release**

Contact: Jonathan Rogers  
Phone: (479) 271-3112

FOR IMMEDIATE RELEASE  
Tuesday, July 26, 2011

Certain City of Bentonville offices, including Court, Planning, Building Inspection, Parks and Recreation, Fire Administration and Library may have limited computer and/or phone service due to accidental fiber optic cable damage. We thank citizens for their understanding, and we are working to restore full service as soon as possible. Emergency operations for Police, Fire and Dispatch are fully functional and are NOT impacted by this issue.
