Lake Bella Vista Park and Trail and Wishing Springs Trail Closed to Public

Bentonville, AR..... The extreme weather conditions experienced in the Bentonville area has created flooding at the City of Bentonville's Lake Bella Vista Park and Trail and Wishing Springs Trail.

Bella Vista Lake Park is located at 4900 Bella Vista Way. The parking lots at this address will be barricaded to prevent public access. Entrances accessible from Veterans Way will be closed as well.

Wishing Springs Trail is accessed at 3802 NW Wishing Springs Road. This facility will also be barricaded to prevent public access.

The City of Bentonville appreciates the cooperation from our park patrons during this weather event. As soon as the rain comes to an end and the facilities are safe for public use, the park and trails will reopen. The public will be notified through a press release at that time.
