Bentonville Parks and Recreation Announces Online Pavilion Reservations

Bentonville, AR..... Bentonville Parks & Recreation Department is proud to announce the introduction of a new online reservation system. Citizens with internet access, may now reserve a park pavilion, at their convenience, any day, any time. On an annual basis, more than 30,000 people utilize Bentonville Parks and Recreation pavilions to celebrate birthdays, reunions, picnics, and other special occasions. This feature will make this free service even easier for our citizens.

With the growing demand for pavilion reservations, increased accessibility became vital to meet the growing recreational needs of our community. This online reservation system includes many improvements to the park reservation system. First, it immediately offers citizens more flexibility for making a reservation. Prior to this new program, reservations could only be made by telephone during business hours. Now citizens have the ability to make a reservation 24 hours a day and 7 days a week. Second, the program increases the time in advance citizens may book a facility. Before, reservations were booked on a January to December calendar year. The online reservation allows you the opportunity to plan up to 12 months in advance.

We encourage citizens to utilize this user friendly process by going to www.bentonvillear.com and visit the Parks & Recreation Department's page. The Pavilion Reservations link provides a photo and location of each pavilion available in the City of Bentonville's public parks. Select your favorite pavilion, view its availability, and then create your own reservation. Once you complete the reservation you will automatically receive a confirmation letter, via the email address you provide.

Some limitations do apply, however. In order to accommodate the number of citizens who utilize our pavilions, reservations are limited to four (4) hours. Online reservations are limited to groups of less than 200 people.

To learn more, please visit us online at www.bentonvillear.com. Our site provides detailed and updated information that will further assist you in special event accommodations and reserving a pavilion through Bentonville Parks & Recreation.
