Press Release- Traffic Signals in Flash
At Intersection of SW 8th & SW "I"

Beginning at 10:00 a.m. on Thursday, April 22, the new traffic signals that have been installed at the intersection of SW 8th St. and SW "I" St. will be turned on to a flash mode for a period of five days to allow for motorists to become accustomed to the upcoming signalization of the intersection with the opening of the 8th St. West project. The north/south signals on SW "I" will flash in yellow mode and the westbound signal will flash in red mode and require stopping just as required by a stop sign. The new signals will be fully functional and operational at the time of the ribbon cutting ceremony for the 8th St. West project on Tuesday, April 27th at 2:00 p.m. Please continue to use caution during the five day signal flashing period.
