The Splash Park at Ernest G. Lawrence Plaza Temporarily Closed to Public

Bentonville, AR..... The Splash Park at Ernest G. Lawrence Plaza will temporarily close to allow the Parks and Recreation Department to make minor drainage repairs around the facility. On May 18, a contractor will begin to install three exterior drains eliminating runoff currently being caused by the fountains. Estimated construction time is less than a week.

As soon as work progresses to the point where it is safe to use the facility, the fountains will be reopened. Parks and Recreation Staff apologize for any inconvenience.
