FOR IMMEDIATE RELEASE
June 1, 2010

The City of Bentonville will temporarily close a small portion of the Crystal Bridges Trail between 6:00am – 5:00 pm on Tuesday, June 8, 2010. The closure is due to the removal of two, large dead trees. The trees will be cut down to ensure the trail remains as safe as possible for our park patrons.

The trail will be closed from the area north of the Crystal Bridges Observation Deck, to just south of the Crystal Bridges Construction Entrance. Although no access will be allowed to the blocked off area, all other sections of the trail will remain open for public use. The Observation Deck will remain open and will be accessible from Compton Gardens.
