Interim Budgetary Comparison Schedule
(Unaudited)
January 31, 2011

City of Bentonville
January 31, 2011
Notes to the Interim Budgetary Comparison Schedule

These statements are interim statements and have been prepared from the unaudited books of the City.

These statements reflect budgetary comparisons (sources and uses) on a cash basis of accounting. Utility fund budgetary comparisons exclude uses for debt principal payments and capital outlay because these uses are recorded as reductions to liabilities and additions to capital assets, respectively, in the Utility fund financial statements.
