PROJECT UPDATES

6. Sassy Relocation.

Shelli reported that Sassy has been relocated to the new display site near the parking lot at Cub Drive.

7. ColorFULL.

Shelli reported that the city does have an agreement with the artist, but that there may be a need to revise the agreement so the project can be completed in the fall since schools are not meeting in person for the rest of this year.

8. **Disposable Youth.** This project has been put on hold until there is confirmation that the Bentonville Film Festival will be held in August as currently planned.
9. **Open Heart.** Shelli reported that the artist sent out a questionnaire to gather information on all of the projects he has scheduled. She responded that the city still intends to move forward with the installation. She hasn't heard back from him on the status of fabrication or timing of installation.
10. **Universal Inseparability.** Shelli reported that the city does have an agreement with the artist and that the display site is almost ready. The artist is ready to install once we have confirmed that the foundation is ready at the display site.
11. **Art Feeds.** Shelli reported that the project was approved at City Council. Since it was brought to the committee by the Parks Department, they will be coordinating with the art organization.
