Mission

The PAAC envisions Bentonville with successful and engaging public spaces of distinctive character where citizens and visitors will encounter works of public art that will surprise and delight with artwork that celebrates the city’s history, its entrepreneurial spirit, and growing diversity.

Partnerships

Art displayed on public property in the City of Bentonville is a funding partnership between the Public Art Advisory Committee and Visit Bentonville. Several installations on public property are funded by other entities, including OzArt, Sugar Creek Elementary, Sunshine School, Thaden School, the Amazeum, and Crystal Bridges Museum of American Art.
