Bentonville's Great Neighborhoods Program connects the Mayor's core goals of transparency and improved communication with residents to the Community Plan's goal of stronger neighborhoods and the principle of providing a "great place to plant roots."

GREAT  
NEIGHBORHOODS

## Philosophy

Neighborhoods are the foundation of the community. Proactive collaboration between neighborhood residents and the city results in great and resilient neighborhoods with strong identities that add value to the community.

## Mission

Strengthen Bentonville by supporting and encouraging great neighborhoods that are friendly, safe, attractive and engaged.

## Goals

# Electric Utilities (Not Carroll)

Travis Matlock, PE, Engineering Director

- **Tree Trimming**
  - Required to maintain system reliability (99.99%, 10 minute average/account).
  - 10' from the actual line.
  - May find some spots that are in violation, BEUD only has 1 crew maintaining the whole city.
- **Reporting an Outage (app/website/IVR)**
  - Before reporting the outage, check your main breaker. If BEUD comes out and it was a “customer issue”, there is a \$100 service charge. Also, check your meter and see if the digital read out is still up. If it is, it is on the customer side.
  - The app (Apple Store/Google) is the easiest/quickest way to report the outage.
  - Update your phone number.
