

High Density Residential

Future Land Use Plan Category Description

Res. No. 10-23-18A

Description

High-density residential areas include apartments, condominium buildings, senior housing, and special types of group living. These areas vary greatly in terms of density depending on scale, but typically have at least 12 units per acre. These areas may also have integrated amenities for residents, including local parks, community centers, and resident-oriented commercial uses.
