

Office

Future Land Use Plan Category Description

Res. No. 10-23-18A

Description

Office areas include properties primarily dedicated to professional employment/office uses, but can accommodate accessory commercial uses such as restaurant, service, or convenience uses oriented to serving office tenants. These areas can include stand-alone office buildings or be designed as a multi-building office park or campus. These areas are considered lower intensity development, relative to other commercial areas.
