CLASS DESCRIPTIONS

wellness & fitness

tone & sculpt

BARRE

Barre is a low impact class designed to strengthen, tone, and balance the whole body. It will include workouts that incorporate ballet barre, light weights & other equipment. Each class includes an effective sequence of toning with the emphasis on core, arms, glutes, and thighs.

BURN AND BUILD

Burn and Build is a high-intensity class that alternates intervals of cardio and strength training in choreographed routines set to music.

CIRCUIT TRAINING

Circuit Training is a circuit style class that combines strength training with cardio for a total body workout. It is a fast paced class utilizing a variety of weights, including body weight, weighted balls, free weights and more to strengthen and tone muscles

POWER PUMP

Power Pump is a strength class using weights to increase muscle strength and tone. The workout is fast paced, working each muscle group for a total body strength workout.

SURGE FITNESS

Energizing HIIT workout that will get you results fast! High intensity cardio tracks that push fat burning systems into high gear are intertwined with high-rep strength training tracks that shape and tone your body for maximum results.

BOOTCAMP

Boot Camp is a freestyle cardio and strength class that incorporates intervals, circuits, drills, weights, core, and functional moves.

CRT- CARDIO RESISTANCE TRAINING

CRT class will alternate intervals of cardio drills and strength training exercises for a full body workout that will help you reach your fitness goals whether you are a novice participant or an athlete that wants to push your limits.

JUMP START

Jump Start is a high intensity, half hour class that focuses on plyometric, cardio and body weight exercises. All fitness levels are encouraged.

POP PILATES

POP Pilates is Pilates like you've never seen before. It's an incredible fusion of ab-chiseling, total body defining moves choreographed to your favorite Top 40 hits.

STRONG WOMEN

A certified personal trainer will lead the class through various exercises in the studio for a balanced workout.

SPIN

SPIN

Whether you're a beginner or avid cyclist, SPIN class is for you! Instructors focus on fun and challenging rides with steady progressions towards the end of each format. Different rides include, but are not limited to, intervals, strength, split rides, race day, combo and variety.

50+

ACTIVE ADULT

FITNESS OVER FIFTY

A low impact class that includes exercises for the total body in order to improve muscle strength and endurance, balance and posture. Participants will use light resistance equipment with emphasis on correct technique. Class is designed for beginners, as well as the individual that may be getting back into an exercise program. Exercises will be adapted for individuals as needed.

MIND & BODY

HATHA STRONG YOGA

Hatha Strong Yoga involves a set of physical yoga postures and breathing techniques, practiced more slowly and with more static posture holds than perhaps a Vinyasa flow or Ashtanga class. Hatha Strong is about finding balance.

PILATES - YOGA FUSION

Pilates - Yoga Fusion combines the stretch, focus and balance of a yoga practice with the stability that comes from Pilates exercises. This class has a yoga pace and feel while incorporating Pilates exercises to develop shoulder, core and pelvic stability.

MEDITATION

Meditation is a contemplative practice quieting, focusing and transforming the mind. Meditation cultivates self-awareness, and provides the optimum conditions for practicing the skill of mindfulness.

YOGA

Yoga is a class that moves through fluid sequences of poses linked with the breath. This practice will tone and strengthen muscles, increase balance and coordination, reduce stress and anxiety and increase self-awareness.

DANCE FITNESS

DANCE FIT

Dance Fit combines Latin and international, pop and hip-hop music with easy to follow and energizing dance moves to keep you moving and having fun. Routines incorporate fast and slow rhythms, basic dance footwork, and lots of energy with each instructor's own personal twist.

INDIAN DANCE

Indian Dance is a mixed level Bollywood & Bhangra class combines traditional Indian folk and classical dance with Bhangra and contemporary movement like hip hop, jazz, Latin and Belly dance. You will learn technique and choreography that incorporate rhythmic, full body movement.

ZUMBA GOLD

is an additional weight-based program that was created for active older adults, who want to use light weights to focus on strengthening the muscles. It's a low- to moderate-intensity workout session designed to reduce the loss of muscle mass and muscle strength that often comes with aging.

HIGH FITNESS

High Fitness is a class that transforms old school aerobics into a highly addictive new fitness experience that combines simple, modern fitness techniques with music you know and love.

ZUMBA

Zumba is an exhilarating, effective, easy-to-follow Latin inspired, calorie burning dance fitness party that's moving millions of people toward joy and health.

KIDS FITNESS

KIDS DANCE

Kids Dance is the movement of the body in a rhythmic way, usually to music and within a given space, for the purpose of expressing an idea or emotion, releasing energy, or simply taking delight in the movement itself.

KIDS HIPHOP

Kids Hip-hop is a dance class with music that often has heavy beats and electronic sounds. It may also include other musical styles, such as jazz or rock and roll.

AQUATIC FITNESS

AQUA FITNESS

Aqua Fitness is a class designed to focus on cardiovascular fitness, muscular endurance, and flexibility. Class is open to all levels of fitness and a great option for swimmers and non-swimmers.

KIDS FITNESS

Kids Fitness is a class that will have kids learn how to build and tone muscles, increase lean body mass, and improve hand-eye coordination, balance, movement, cardiovascular-respiratory endurance, flexibility & agility.
